

## La Biblia, En Orden Cronológica (aproximado!)

|                                                  |
|--------------------------------------------------|
| Juan 1:1-5                                       |
| Génesis 1 – 2                                    |
| Ezequiel 28:12-17                                |
| Isaías 14:12-17                                  |
| Génesis 3:1 – 11:32                              |
| Job                                              |
| Génesis 12 – 50                                  |
| Éxodo                                            |
| Salmo 90                                         |
| Levítico                                         |
| Números                                          |
| Deuteronomio                                     |
| Salmo 91                                         |
| Josué                                            |
| Jueces                                           |
| Rut                                              |
| I Samuel 1–16:13                                 |
| Salmo 23                                         |
| I Samuel 16:14–19:11                             |
| Salmo 59                                         |
| I Samuel 19:12–21:15                             |
| Salmos 34, 56                                    |
| I Samuel 22:1, 2                                 |
| Salmos 57, 142                                   |
| I Samuel 22:3–23                                 |
| Salmo 52                                         |
| I Samuel 23                                      |
| Salmos 54, 63                                    |
| I Samuel 24–31                                   |
| II Samuel 1–7                                    |
| Salmo 30                                         |
| II Samuel 8:1–14                                 |
| Salmo 60                                         |
| II Samuel 8:15–12:14                             |
| Salmos 51, 32                                    |
| II Samuel 12:15–15:37                            |
| Salmos 3, 69                                     |
| II Samuel 16–20                                  |
| Salmos 64, 70                                    |
| II Samuel 21, 22                                 |
| Salmo 18                                         |
| II Samuel 23, 24                                 |
| Salmos 4–9, 11–17, 19–22, 24–29, 31              |
| Salmos 35–41, 53, 55, 58, 61, 62, 65, 68, 72, 86 |
| Salmos 101, 103, 108–110, 138–141, 143–145       |
| Salmos 103, 108–110, 138–141, 143–145            |
| I Reyes 1–4                                      |
| Proverbios                                       |
| Cantares                                         |

|                                                        |
|--------------------------------------------------------|
| <b>I Reyes 5–11</b>                                    |
